## Post-War Members

In the listing below, the member dates for 'Joined' and 'Left' are: the **Year**, followed by the **Month** (if known, where 01 = January through 12 = December), and the announcement of that member is noted in the News Sheet of that "Year-Month". When the **Day** is also shown, that is the exact day of Joining, and the official announcement would be in a subsequent News Sheet.
